Who Are We?

Santa Barbara Sail and Power Squadron (SBSPS) is a local unit of The America's Boating Club (ABC). Our mission is to increase boating safety in the local community. We do this through classroom education, group cruises and rallies, sharing wisdom at social gatherings, and community service.

We are passionate about boating and enjoying it safely. Our members include

world class sailors and power boaters who enthusiastically share their knowledge. We welcome novice boaters as well as those who have cruised the seven seas.

Membership in SBSPS

The only requirements for membership are a keen interest in boating-related activities and an eagerness to meet like-minded people, whether sail, power, or paddle boaters; however, ***you don't need a boat to join!***

Boating Safety Education

We have an extensive catalog of courses and seminars—including:

- Boat Handling, Piloting, Navigation
- Marine Electronics, Cruise Planning, Weather
- GPS, Marine Radar, AIS, Using VHF/DSC Marine Radio, Partner in Command
- Anchoring, Knot and Line Handling, Emergencies on Board

Some insurance companies provide discounts to students of our courses.

We also have a team that performs **Free United States Coast Guard Certified Vessel Safety checks.** ***You can get it all here at SBSPS!***

More course or membership information is available at:
www.sbsps.net
