Special Edition Newsletter July 2022

Editor's Note: Due to a happy occasion coming up soon that will be taking all my time for the next several weeks — our son is getting married on July 2 — we are issuing a special edition of the Signal Hoist for the month of July. Regular reports and articles will return in August. There are several upcoming important events and more details following in this issue. Also in this abbreviated edition are photos from our Progressive Dinner.

Thursday Aug 4th Fun and Entertainment Meeting, Dr. Milton Love

- What Role Do California Offshore Platforms Play as Fish Habitat?

Dr. Milton Love is a research biologist at the Marine Science Institute, University of California, Santa Barbara. He has conducted research on the marine fishes of California for over 40 years and is the author of over 90 publications on the fishes of the Pacific Coast. He has written such books as *Certainly More Than You Want to Know About the Fishes of the Pacific Coast* and *A Guide to the Rockfishes, Thornyheads, and Scorpion Fishes of the Northeast Pacific*, and *The Rockfishes of the Northeast Pacific*. For the past 18 years, using a manned research submersible, Dr. Love has carried out surveys of the fish populations living around natural reefs and oil/gas platforms throughout the southern California Bight.

Progressive Dinner Fun

P/C Rich Ciolino, JN

A big thank-you to John Bridgwater and Harrison Heyl for generously providing their boats as venues for this event. Thanks also to the great cooks for their delicious contributions.

We started in Marina 4 on John Bridgwater's boat Sea & Ski with appetizers.

It was a beautiful day at the Harbor and after appetizers, we moved on down to the end of Marina 4, to Rich and Peggy's boat Ecco Bella for salad and the main course.

For dessert, we walked over to Marina 2 and Harrison Heyl's boat Peace Pilgrim.

The Signal Hoist is the official publication of the Santa Barbara Sail & Power Squadron. Articles of interest to the membership should be forwarded in writing via email to the Editor by the 20th of the month in order to be included in the next issue. We solicit the submission of your articles on safety, boating, cruising, racing, and squadron activities. Accompanying relevant photos are appreciated. We encourage articles by our members. Send us your true or tall tales. Articles, opinions, and advertisements published herein do not necessarily reflect squadron policy or endorsement unless so designated.
