

# Improve Your Navigation Skills

## From Paper Charts to GPS Based Chartplotters

Your Santa Barbara chapter of United States Power Squadrons "**America's Boating Club**" will be teaching "**Navigation Using Paper Charts and GPS Based Chartplotters**" covering: chart features, plotting a course, dead reckoning navigation, latitude and longitude, planning your course, waypoints, GPS position, electronic navigation, and chartplotter functions.

The course is designed as an introduction to safe navigation for new boaters and as a refresher for more experienced boaters. It is given in two 2-hour sessions:

**Schedule:** Two sessions, June 4 and 11, 2024 Tuesdays, 7:00 PM to 9:00 PM

**Price:** \$40 per person; \$15 partner sharing material

**Location:** The classes meet at SB Harbor Marine Center Classroom, above the Post Office

**Contact:** Register [on-line](https://sbsps.net) at [sbsps.net](https://sbsps.net) and click on the Boating Courses tab on the banner or use the tab below to register or get more information.
